

Dear Friend of NCCA,

We are excited about the prospect of partnering with you for the upcoming school year! Would you kindly consider supporting the students and community of NCCA?

The NCCA Booster Club partners with the students and administration at New Creation Christian Academy in McDonough, Georgia by supporting their clubs and athletic programs. Your support will help all of the students at NCCA, kindergarden up through our high schoolers. We are gearing up for the new 2023–2024 school year and would love your help!

Your \$550 donation will include:

- Two 3'x 5' banners to be displayed in the gymnasium and athletic field for sporting events.
- Advertisement on a rotating basis at the entrance of our school on Lake Dow Road.
- Advertisement through the NCCA Booster Club social media posts.
- Advertisement through the NCCA school emails.
- Advertisement on the NCCA Booster Club homepage with active links to your website.
- Advertisement at home sporting events, receptions, open house/orientation through verbal announcements and sponsor highlights.

We start off strong the first week of August and would love to have your banner, logos, and links ready to go. Because we hope to maximize your exposure to our school's families and friends, please let us know your sponsorship commitment by **July 31, 2023**.

For any questions, please contact us at [nccaboosterclub@gmail.com](mailto:nccaboosterclub@gmail.com) We would love to partner with you as we support our students as they participate in their programs this upcoming school year.

Thank you!

NCCA Booster Club
