\$600 per NEW AND RETURNING STUDENT – NON-REFUNDABLE (beginning June 1)

All incidentals will be paid through FACTS, therefore, ALL families MUST set up a FACTS account. There is a FACTS fee *per family*, payable to FACTS, for this service. If you have any questions please contact our Account Manager.

Courses:	Discounted Annual Fee (full time students only)	Payment Plan (per month for 10 months)
Full Time High School (up to 6 classes)	\$5,080	\$5,400 per year (\$540.00 per month)
7 th Class	\$425	\$450 additional per year
8 or more classes	\$975	\$1,100 additional per year per class
Middle School Academy	\$4,570	\$4,890 per year (\$489.00 per month)
Elementary School	\$4,070	\$4,390 per year (\$439.00 per month)
Summer School (High School only)		\$400 per session, per class

Any special needs student wishing to attend NCCA will incur additional fees of up to \$1000.

Full time includes all academic, elective credits and accreditation up to six (6) classes/credits. Additional classes will be charged as above. **Discounted Annual Fee** for full time students must be paid in full by **June 26th**. Annual tuition is calculated on a 10 month scale. Tuition is only prorated in January for those enrolling for second semester.

AT English – AT English classes will have an additional one-time \$150 fee added due to smaller class size and adjusted teaching. Students will only be placed in these classes with the approval of NCCA Administration.

AT Math –AT Math classes will have an additional one-time \$150 fee added due to smaller class size and adjusted teaching. Students will only be placed in these classes with the approval of NCCA Administration.

Part-Time Students: High School students wishing to take individual (a-la-carte) classes can do so at a cost of \$1100 (\$110 per month) per class. NCCA does not accredit part-time students. However, NCCA will send an accredited transcript for the class or classes taken at NCCA to the student's accrediting agency upon written request from the student. **For high school students** enrolling from a non-accredited school there will be a per year fee added. **Example:** A student is entering the 11th grade from a non-accredited program will be required to pay accreditation fees for the 9th and 10th grade year.
